Our Mission

“Britus continues to achieve the highest level of individual service in the transportation industry by focusing on relationships. We aim to provide the best pricing, service and support for our clients. Our reputation is everything, our integrity unquestioned and our commitment limitless.”

Why Britus?

Competency, Quality and Service. Britus Transportation realizes your transportation service provider has to be about more than price. You require the goods you ship to be picked up and delivered without hassle or failure. Our employees understand the movement of freight from one box to multiple loads to all points in the contiguous U.S. The goal of Britus is to take the process of moving freight from headache to happiness with one call.

Benefits

One single source transportation service provider.

Communication via phone, fax, email or in person to develop appropriate programs to service your account.

Status reports electronically transmitted to you via email or fax on your shipments.

No surprise fees or invoice changes without prior approval. You pay for what you want. Extra services are a pass through cost with no up-charge or premium.

All carriers in our database are required to provide current insurance documentation, notification of any changes and of course, we monitor all safety ratings to assure our carrier base is worthy of your freight.

Give us a call today.

We won't disappoint you. Regardless of your mode of shipping: LTL, TL, Produce, Refrigerated, Flatbed, Bulk, Air freight, or Liquid...

Britus has you covered!
